Entry Forms, Entry Fees, Health Status Declaration to be sent to the Show

Convenor: Boorowa Show Society—PO Box 54, Boorowa NSW 2586

### Conditions of Entry

The general regulations of the Boorowa Show Society appearing in this Schedule form part of these AAA approved conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise. This show will be conducted under the rules of the Australian Alpaca Association as set out in the current AAA Showing Rules Manual.

A separate health declaration is required to be returned with the entry form. Failure to sign the entry form will render all alpacas of any exhibitor ineligible to be exhibited. Please note that only the registered owner of an exhibit, or his/her authorized agent may sign an entry form. The registered owner of an exhibit in the case of an entire animal must be a financial member of the AAA. It is not a requirement for exhibitors of wethers to be financial members of the AAA.

### Period of Exhibition

Alpacas must be penned by 8.30am on Saturday 6 March 2010.

### Preparation of Exhibits and Cleanliness of Stalls

Exhibitors must keep the stalls allotted to their alpacas clean and give proper attention to their stock throughout the show.

Exhibitors must provide their own feed, feed and water containers.

### Advertising

No advertising or notices (except with the permission of the Chief Steward) are permitted on or in any stalls or buildings. Sale signs are not permitted. Stud names are permitted, but must be contained to the bounds of the pen and to a height of 1500mm. Display of Show ribbons awarded at a show held at another venue is prohibited. A handler shall be deemed to be incorrectly attired if his/her dress or the animal led displays any information capable of being constructed as advertising for any stud.

### Inspection of Exhibits

All alpacas must be registered by the Australian Alpaca Association and carry an approved brass tag showing the alpacas IAR number.

Wethers may be registered or unregistered. No wether may have any visible genetic faults.

No alpaca shall be eligible for exhibition if it is not entire (except for wethers). All genitalia shall be complete, properly formed and proportioned for normal reproduction.

The convenor shall appoint a person, or persons, as a qualified inspector, or inspectors, who shall inspect all alpacas for genetic faults, colour, class and IAR number.

NOTE: If there is no IAR tag present in the ear of an animal exhibit, official Association confirmation must be provided by the owner to the Chief Steward that the ear tag has been recently lost and that a new tag has been ordered and paid for. Failure to present such evidence at inspection will result in disqualification of the exhibit.

The inspector or Chief Steward will classify all entries for age, sex and colour and has the power to transfer an exhibit to the class which, in his/her opinion, it should have been entered. The Chief Steward will combine or split classes as he/she sees fit.

Alpacas not in their allocated pens and available for inspection at the official time may be disqualified by the Chief Steward. Exhibitors must be in attendance at the time of the inspection and will be required to assist. Huacayas must carry a minimum fleece length of 30mm and a maximum length not exceeding 60mm. The minimum fleece length for suris is 75mm and the fleece will be assessed by the judge. Exhibits shall not have fleece of a different colour to that of the blanket removed from an animal to a level below that of the blanket fleece. Any alpaca found to have lice infestation must be removed from the showgrounds immediately along with any other alpacas present that belongs to the same exhibitor.

## Judging

Judging will commence promptly at 9.30am on Saturday 6 March 2010.

A competitor may not discuss with the judge their alpacas, or proposed exhibits prior to, or during the Show judging. The Judges decision shall be final. He/she may choose not to award a prize or prizes in a class.

All attendants leading stock in the judging ring or parade shall wear a white dustcoat over long trousers or long skirts, with clean dress shoes or boots.

The Chief Steward may disqualify an exhibitor for incorrect attire.

All exhibitors shall, on the day of the show, obtain their pen position and animal exhibit card numbers from the Shed Steward. The exhibit number of the exhibit must be worn and clearly displayed by the handler whilst in the show ring. The age of the alpaca, in months, must be displayed on the exhibit card.

All handlers showing animals must be competent in the handling of their exhibit, or removal from the ring may be requested by the Judge. It is recommended that small children not exhibit large animals that they cannot control. All exhibitors must place their alpacas in the pens allotted by the show steward and must not be moved or removed except by order of the Chief Steward.

## Correct Animal Colour Classification

An alpaca is to be shown in the appropriate colour class, when it is predominantly that colour. Any colour variation will be assessed at the time of inspection.

A fancy alpaca is to be shown in a Fancy class if it has unusual; or striking distribution of colour eg. different coloured saddle markings.

## Age of Alpaca

Alpacas must be entered into the correct class for their age (ie. age on the day of the Show unless otherwise specified).
